

# Sound Ideas Multi-User Licensing

Your purchase of any Sound Ideas product (CD, DVD, Individual Track or Hard Drive) grants you a lifetime non-transferable worldwide license for synchronization rights only. You are allowed to create a single working copy of all sounds contained within the product to store as a backup. The sounds are to be used only for the authorized purposes as defined in the Sound Ideas End User License Agreement.

Every purchase of a Sound Ideas product includes permission for you to access the sounds from up to 5 workstations installed at 1 address location (Onsite). A license is required, but there is no fee.

If you are going to access the sounds from 6 or more Onsite workstations, or if you are going to access the sounds from workstations located at more than 1 address (Remote Sites), you need a multi-user license.
